Re: Ex Parte Notice – WC Docket No. 04-36

Dear Ms. Dortch:

As referenced in the Ex Parte Letter filed by Intrado Inc. (“Intrado”) on April 19, 2005, Stephen Meer, Intrado’s Chief Technology Officer, and Ray Paddock, Intrado’s Vice President of Industry Associations, met with several members of Wireline Competition Bureau, Office of Engineering and Technology, and Competition Policy Division on April 14, 2005. Commission Staff requested that Intrado provide additional written information regarding the services Intrado currently provides to providers of Voice Over Internet Protocol services. Intrado provided the three attached documents in response to Staff’s request.

Pursuant to Section 1.1206 of the Commission’s rules, one copy of this notice is being filed electronically in the above-captioned proceeding.

Very truly yours,

/s/

Mary Boyd
Vice President Government & External Affairs
